DSL

Digital Subscriber Line

HyperSurf Business DSL service provides an always-on Internet access that is well suited for any small business. We can have you up and running in a few days with this service. Download speed can range from 1.5mbps to 6mbps.

STARTING AT
34.99

Business T1

We offer many levels of T1 line services including bonded T1 lines and T1 lines that have a backup fail over DSL circuit. Customers who will benefit from T1 data connections are businesses who need very reliable high speed Internet connections to transact business and who either do not qualify for DSL service or need more reliability and/or more speed than DSL can offer at their location.

STARTING AT
319.99

Metro Ethernet

HyperSurf Metro Ethernet service offers dedicated bandwidth for demanding business applications that require more than your typical bandwidth. The Ethernet Service is delivered to your office as a typical Category 5 ethernet handoff. Metro Ethernet runs on a fiber backbone. Service ranges from 5M to Gigabit.

STARTING AT
1499.99

Asterisk Phone System

Asterisk phone systems are an excellent, fully integrated VOIP PBX solution for businesses of all sizes. Asterisk eliminates the tremendous cost of setting up a traditional PBX system. With Asterisk, even the smallest business can have all of the benefits of PBX in their office.

STARTING AT
199.99

Web Hosting And Design

Hypersurf web hosting will give your business a presence on the web. Manage your website and emails via a Control Panel. Use all the latest web hosting features such as PHP, Mysql, spam filters and secure servers with our accounts.

STARTING AT
14.99

We provide a great service above and beyond the normal Internet provider. Along with providing brand name products and services, we back them up with good old fashioned customer service before, during and after the sale.

What our clients are saying about us.

I have not experienced this level of customer care with any other ISP and highly recommend them. -Larry

I love the tech support. They are always helpful. - Dan

**Please call our technical sales team to discuss how HyperSurf Internet can help your business. A technical sales support specialist can visit you at your location to answer any questions.
Please call us at 877-702-7873 x1.**

We offer both US based email and phone support with all Accounts
